SIR

I have the honor to forward herewith copies of the correspondence between this office and the non-official President, Tumkur Town Municipality as noted in the margin in regard to the indifference and unsatisfactory work of Mr G Subba Rao, Head Clerk, Municipal Office, Tumkur, and to state that the President stated in his first report that unless the official was charged, the work of his office would become impossible. In his subsequent report he stated that due to the indifference of the officia it is not possible to marage with him and that perding final orders he will not take him on duty. It is ascertained that his work has bee reported to be unsatisfactory continuously in other offices in which he has served

This office letter No Sl.c 709/10-41 dated 9th June 1941 addressed to the Municipal President

During my inspection of the Municipal Office, I found that his work as not satisfactory I am therefore of opinion that, as the official is 53 years of age and has put in over 30 years of service, this is a fit case for retirement in accordance with G O No.671-39-4 dated 23-10-1940 I therefore recommend that the official may be retired from service immediately Perding final orders of Government in this behalf, I have granted him such leave as he is entitled to

Report No H.C.49/40-41 dated 26-5-41 from the ~~President~~ Chief Officer, Town Municipal Council, Tumkur.

Submitted to the President. The Head Clerk has bundled up all Audit Notes and their connected papers and sent them to the Record Room instead of taking action on them. This man ever since he came is like a dead weight on the office always shirking work and shifting it on to others, doing almost nothing by himself. I picked up for him the pending audit notes and ~~xxdxx~~ arranged them and dictated answers to a number of objections I ~~wantedxx~~ him to continue the answering of objections. He has done nothing excepting sending the whole bundle to the Records to facilitate losing sight of them. Work cannot be managed with such people. When I questioned him regarding ~~thxi~~ this today, he calmly advises me to speak less loud. I have no confidence in this man and I find it not possible to take work from him. I request you to do something to get through the work in the office

Sd/-C.R. Rudrappa,
Chief Officer 26-5-41.

Forwarded with compliments to the Deputy Commissioner, Tumkur District. Unless the Head Clerk is immediately changed, work becomes impossible in this office

Mr. G Subba Rao, Head Clerk of this office has absented from duty without obtaining sanction of leave. I was in the office on 31-5-41 till 9 P.M. He never approached me for leave but he has kept an undated leave application in the President's tray. I have never come across such indifference on the part of a clerk.

The pension papers of Daffedar Gangappa are pending for over one year and the last query received from the Comptroller on 29-4-41 is pending with him for reply.

It is not possible to manage with him. Pending final orders from you, I will not take him on duty from tomorrow.

D O letter No Sl C 264(a) dated the 11th August 1941 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner

In view of the above reports about the work of the official, I am inclined to agree with the Deputy Commissioner that the official does not deserve to be kept on in service any longer I request that sanction of Government may be kindly obtained for the retirement of Mr Subba Rao under the Note to Article 311 of the Mysore Service Regulations

For Revenue Commissioner,
Absent from the station

D O letter No Sl C 264(a) dated the 9th July 1941 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore, Bangalore

I reply to your D O letter No C 8 of 1941-42 dated 7th July 1941 regarding the retirement of Mr G, Subba Rao, Head Clerk, Town Municipal Office, Tumkur, I write to state that when the official was transferred from Mysore to this District, he was appointed to the - - Municipal Office in a permanent place On the consideration that he is a permanent employee on the Local Body, a recommendation in this behalf seems to have been made to the Law Secretary

I find from the connected correspondence and the letter addressed to Government by Mr Guru Dutt (copy of which has already been - - sent to you in this office memo No 264/40-41 dated 28-6-1941) that - the retirement of the official has been recommended due to his continued unsatisfactory work in accordance with G O No 671-39-4 dated 23-10-1940 I am sending herewith copies of correspondence between this office and the non-official President in this connection for - - your perusal I request that necessary orders of Government may be kindly obtained for the retirement of the official as already recommended

-

D O letter No C 8/41-42 dated 25-7-1941 from the Revenue Commissioner in Mysore, Bangalore, to the Deputy Commissioner, Tumkur - District

-

I am in receipt of your demi-official letter No Sl C 264 (a) dated the 9th July 1941 stating that Mr G Subba Rao, who was transferred from the Mysore Deputy Commissioner's Office, to Tumkur District in May 1940, was posted to the Tumkur Town Municipal Office as Head Clerk in a permanent place and that on the consideration that he is a permanent employee of the Municipality, a recommendation for his retirement seems to have been made to Government direct Mr Subba Rao should be treated as a 'lent' official whose service, pay, etc , are governed by the Rules issued in Government Order No L 6052-125/

P T O

No L 6052-125/M1 158-26-1 dated the 1st March 1927 Under these Rules, the disciplinary powers in respect of lent officials(except fining them up to Rs 10/-) are vested in the Revenue Commissioner, who is the authority competent to sanction the loan of their services Further, the powers under Article 308 of the Mysore Service Regulations regarding retirement of permanent officials of the Minor Municipal Councils only are delegated to the Deputy Commissioners of Districts (Vide Appendix 'O' of the Mysore Service Regulations) I request you to favour me with your further remarks in the matter

The Service Register and Character Book of Mr Subba Rao may be sent for reference

A representation dated the 19th July 1941 submitted by him is enclosed

D O letter No Sl C 264(a)/40-41 dated 11th August 1941 from the Deputy Commissioner, Tumkur District, to the Revenue Commissioner in Mysore, Bangalore

-

Referring to correspondence ending with your D O letter No C8/41-42 dated 25th ultimo, calling for my remarks in regard to the recommendation made for the retirement of Mr G Subba Rao, Head Clerk, Tumkur Town Municipal Office, I write to state that as the reference was made by my predecessor, I feel some delicacy to give any opinion one way or the other

As regards the merits of the case, references show that the work of the official was throughout bad or unsatisfactory Any amount of warning administered to him have not in the least improved him I am, in this connection, enclosing herewith a copy of another letter received from the non-official President and a reply given to him by my predecessor, last year (Vide two letters noted in the margin) Moreover, I find from the entries

Letter No H C 59/40-41 dated 27/29th November 1940 from the President, Town Municipal Council, Tumkur

This office letter No L Dis Sl C 2106 of 40-41 - - dated 6/7th December 1940

entries made in his character book by some of the Officers under whom he worked that his work was neither satisfactory nor up to the mark

Besides I feel inclined to suspect that some of the entires and pages of the character book have even been tampered with - - Taking all these circumstances into consideration, I am of opinion that he does not deserve to be kept on in service any longer My predecessor has, after mature consideration, recommended for his - retirement and I entirely agree with him

In these circumstances, I request that necessary orders of Government may be kindly obtained for the retirement of the official immediately as already recommended

The character book of the official is sent herewith as - - desired It is ascertained that his Service Register which was sent to the Kolar District for verification has not yet been - - - received back The representation of the official received with your D O reply is also retransmitted herewith The Service - - Register will also be forwarded on receipt in this office

To

The Secretary to the Government of Mysore,

Law Department, Bangalore

Respected Sir,

I most respectfully beg to submit the following few lines of my humble representation for your kind and sympathetic consideration and favour of orders -

- On transfer from the District Office, Mysore, to the District Office, Tumkur in April 1940, I was posted by the Deputy Commissioner, Tumkur as Head clerk of the Municipal Office there I resumed duties of the said office in May 1940 Though Municipal work was quite new to me I worked hard and earned the satisfaction of my superior officers This fact is borne out by the record of my service by those officers

Some of the subsequent events made me believe that the Chief Officer was not well disposed towards me This fact was borne out by his frequent reports against me to the President on the following allegations

(a) Making me responsible for the delay in the submission of the periodical 'C' statement to the C R B which work solely related to the 2nd clerk as per work distribution statement

(b) Absence without permission

(c) Indifference to work

This naturally led me to believe that the said officer was bent upon doing me some harm or other

The following few subsequent events appear to have strained his feelings further and have made him

concentrate his attention towards my removal from that office.

During the course of investigation of a case of embezzlement committed by one acting toll peon Chikkappa who had it appears some previous bad record of service, the records connected with the employment of that peon were sent for by the Deputy Commissioner. I submitted the said papers to him as per orders This probably enraged the Chief Officer who appears to have reported to the President that I had wantonly done it as the said record concerned the re-employment of the above official who was previously dispensed with his services for some misconduct or so.

In another instance the Chief Officer brought against me the allegation of having delayed the submission of a periodical return of 'C' statement to the C R B Though I had clearly explained that I was not responsible for the delay as that work according to the work distribution statement was solely entrusted to the 2nd clerk These and similar other reports against me confirmed my belief about the said officer as referred to above

I respectfully beg to submit that if the connected records are called for if they are not already received by Govern ent and perused, they may probably show that the allegations against me are baseless

As a result of the baseless allegations against me which appear to have prejudiced the mind of the higher officers, I have now been relieved of my duties and kept without the disbursement of my pay for the last six months It is needless for me to mention here the hard lot and immense suffering of a poor official like myself who has to maintain a large family of about dozen souls in these hard days of struggle for existence if he is deprived of the means of his livelihood

I understand that I have been recommended for premature retirement when I have still 3 more years of service and am capable of working for some more years, probably relying on the report of the President, who might have made similar allegations as referred to in para 3 above I respectfully beg to submit, Sir, that during the entire period of my long service in the Revenue Department there has not been any single instance either of my indifference to or inefficiency of work or any black mark against me, the truth of which may if necessary be verified by a reference to my service register and the character book I also beg to submit that in consideration of my satisfactory work as reported upon by the several officers under whom I had served all these years Government were pleased to grant me exemption from passing the Revenue Examination to make me eligible for promotion to the higher grade I feel therefore that great injustice has been done to me by the above recommendation which has been made without allowing me an opportunity to explain my cause I apprehend that by this premature retirement, if sanctioned, I will not only lose my opportunity of promotion to the next higher grade which has been promised to me for being considered when the next vacancy occured, but also an improbability of getting my full pension as I have already exhausted all kinds of leave at my credit and I might not have also put in the required 30 years of qualifying service

In these circumstances, I humbly and respectfully pray, that my case may kindly be viewed with sympathy and proper justice done to me I also beg to request that my pay which has been stopped without being disbursed from July 1941 may kindly be ordered to be disbursed to me immediately as I have been suffering very much for want of maintenance for the last 6 months

Pto

For this act of kindness I ever pray for your long li and prosperity.

I beg to remain,

Respected Sir,

Your most obedient servant,

Bangalore
